

## Middle School Summer Grammar Practice

For the 2016-2017 school year, the middle school will be using the IXL program in order to supplement Grammar instruction. There is a cost of \$10 for a one-year subscription to IXL. Please fill out the bottom section of this form and send it in with the \$10 payment—cash or check (made payable to ICCS)—by May 3. Once payment has been received, your child will receive his/her username and password for the website.

We will begin using IXL for summer work in Grammar. Each child will be expected to correctly complete 40 problems for each the following topics by the first full day of school. Completion of this IXL assignment will constitute the first test grade in Grammar for the 2016-2017 school year.
