

2017-2018 Incoming 8th Grade Algebra 1 Summer Math Work

1. Using their Algebra 1 textbook, students are required to complete the Pre-Course Assessment called Skills Readiness on pages CC60 and CC61.
2. After completing the Pre-Course Assessment, students are required to read chapters 1 and 2 and complete all of the ODD skills practice problems for those two chapters.
3. Students need to read the book Hidden Figures by Margot Lee Shetterly and write a 1-2 page essay on why it is important and how it affected our society.

If you have any questions about the summer math work for this class, please email your teacher Mrs. Buckley at Jackie.buckley@ic.cdom.org
