

Delectable D&W Food Service and Catering Company

Immaculate Conception Cathedral School educates the whole student – spiritually, intellectually, physically, and emotionally. As we continue to embrace our core values – integrity, confidence, courage, and service – we are building a wellness program to nurture our students’ bodies as well. Thus, we are pleased to announce **Delectable D&W Food Service and Catering Company** as our new food service provider for the 2016-2017 school year. Delectable D&W will focus on revitalizing our food service program. The concept around this program is to provide a fresh new dining experience. To bring this concept to life, we welcome Chef Manager Anthony Terrell to our campus. Chef Terrell is a native Memphian and accustomed to providing nutritional meals to students. In the past Delectable D&W provided food service for important ICCS campus events such as Mardi Gras and Bagot Street Dinner. Also, as a parent of a recent graduate of ICCS, Chef Terrell knows the importance of a delicious and healthy menu for our students and looks forward to providing a program that will serve our families well. Delectable D&W is striving to be a vital part of the ICCS community, not just a food service company.

DECLINING BALANCE

For your convenience, we offer a declining balance program for meals and a la carte purchases. Declining Balance Plans may also be purchased as a supplement to a meal plan for a la carte items like bottled beverages and snacks. To open a new declining balance account, \$75 is suggested as an opening amount by filling out the form at the end of this brochure and sending a check to Delectable D&W Food Service and Catering Company.

HOW DO I PAY FOR LUNCH?

Students pay for Dining Hall purchases with either a meal plan account or a declining balance account. No cash is accepted. When checking out, students will swipe their Meal Plan card, and the meal plan is selected for the day and/or a la carte purchases are automatically deducted from the available balance in the student's declining balance account. Please either mail or send your check for meal plan purchases to Delectable D&W Food Service and Catering. You can add money to your child's declining balance account at any time in these ways:

1. Send in a check with your student to give to the cashier in the Dining Hall.
2. Mail your check to Delectable D&W Food Service and Catering.

MENU

Being ever mindful of the cultural and dietary preferences of a diverse student body, faculty, and staff, our menus are created exclusively on-site by the Delectable D&W food service management team.
